Date: 08-10-2026

CIRCULAR

Expected Temporary Interruption of Power Supply on 09.10.2026

This is to inform all students, faculty members and staff that, in connection with the **33 kV line charging and shifting of the University's main power supply**, temporary and staggered interruptions of electricity supply are likely to occur in different buildings/areas of the University Campus on **09.10.2026 from 1:00 PM onwards**. The disruption may occur **at different times and for varying durations on a building-to-building basis**, depending upon the sequence of the power-shifting and commissioning activities.

The University will make necessary arrangements to provide **backup power wherever feasible**. However, the available backup arrangements may not be sufficient to provide uninterrupted power supply to all buildings, facilities and hostels during the entire period of the activity.

All students, faculty members and staff are therefore requested to **plan their activities accordingly and extend their cooperation and support** during this essential infrastructure work.

The University regrets the inconvenience caused and appreciates the cooperation of everyone in facilitating the safe and successful completion of the work.

Issued with due approval of competent authority.
